

# FACT SHEET

DID YOU KNOW?

## A FACT SHEET FOR YOUR REFERENCE

SIS Dubai is a very different type of CBSE school. Small class sizes, inspired learning programmes, and dedicated teaching staff gives students a personalised and enjoyable learning experience. Each child is given the opportunity to realise their full potential, whilst building happy memories that will last forever.

25 Students per class

2 Teachers per class  
for personalised  
attention

Customised in school  
STREAM programme

Wide range of  
extra-curricular activities

## The Happiness programme (Saadat el Taalim) has 4 pillars that students across the school demonstrate: -

- ▶ We are happy because we live in the moment
- ▶ We are happy because we take pride in our achievements (brought about by the academic rigor)
- ▶ We are happy because we Share and Care (Be good to others)
- ▶ We are happy because we have found happiness within ourselves (Community initiatives - Each class takes part in an outreach programme)

## Curriculum Enrichment- The school offers a wide range of ECAs including:-

- ▶ Creative Arts
- ▶ Cricket
- ▶ Astrophysics
- ▶ Gymnastics
- ▶ Football
- ▶ Drones and Robotics  
(a free after school programme for gifted students who have the aptitude to work with Artificial Intelligence)
- ▶ Swimming
- ▶ Basketball

## SIS Difference through curriculum extension

- ▶ Vedic Maths  
(Coding/Maths)
- ▶ The Chef in Me  
(Science)
- ▶ Digital Story- telling  
(English)

## ASDAN

Parallel curriculum to support needs of our SEN students (However, we are at full capacity for SEN)

## AHA Hour

A termly challenge is set and accepted by students to achieve success in areas such as "I – Spy detective club, Photography club, AI club, Heritage club etc;

## Swimming pool

All students utilize the swimming pool on a weekly basis. Students are trained to try out for the Swim Squad.

## STREAM Programme

A customised in school programme is offered to all students from Grade 1 to 8, teaching them skills in programming, coding and product design, using Science, Technology, Reading, Engineering, Arts and Math concepts

## Music

A band for KG students named Mini Melody Makers is currently in the making. From G3 and above a school band called Melody Makers has already been entertaining the whole school community with their performances.

## Online reading apps:

**Raz Kids** is the app the whole school students use to support reading in English;

**I Read Arabic** is another online programme used at SIS to promote reading in Arabic

## **Making Learning Visible**

Students of KG1 to Gr 2 showcase their “learning” to their parents at the end of each Term.

## **Arabic on the move**

An additional Arabic learning programme which has Arabic Café as a popular part of it which opens during the recess break, has interesting games on display that students use and earn brownie points

## **Parent Teacher meetings**

Focused parent interactions in the form of Target setting meeting, Data Meeting, Performance Review meeting are held every alternate month.

## **Mushahid of the Day**

The SIS parents get an opportunity to attend their child’s class as an observer and partner in their child’s in school learning. (once in each quarter)

## **iPads for learning**

individual iPads are issued to each student in G3 and above

## **TED ED**

Being a Ted Ed school, students are trained in oratorical skills so that they take part in Ted Ed events

## **School Transportation**

a fleet of high-quality buses with the latest equipment including GPRS is sincerely dedicated to make students’ travel comfortable to and from school.

## **Medical Facility**

A dedicated doctor and nurse practitioner form a sound team that looks into healthcare at SIS at all times.

## **Idea Leaders**

The school takes great pride in being the only school where students from KG right up to higher grades have decided to bring about a difference in the school and society through various initiatives like Mindfulness, Adult Wellbeing, Adopting a Bird Sanctuary, Adopting an Old age Home etc.

## **Diverse community of stakeholders**

Even though the school offers CBSE as a curriculum, it has been enriched so thoughtfully with the knowledge, skills and understanding elements of the international education system, that over a hundred families from twenty different nationalities have chosen this school for their kids.

## **World Culture Gallery**

The school has a world culture gallery placed at one of the corridors that provides useful information about various world cultures.
